MACOMB COUNTY SEEKS COMMENTS ON JUSTICE ASSISTANCE GRANT

MOUNT CLEMENS, Mich. – The Macomb County Sheriff's Office, Macomb County Community Corrections, and the police departments of Clinton Township, Sterling Heights and Warren are applying for a U.S. Justice Department grant designed to combat crime, based on local needs and conditions.

The money from the grant will go to aid several law enforcement projects including continuing the multi-jurisdictional enforcement coalition in Warren, reduce traffic crashes at major intersections in Clinton Township, and to upgrade security equipment used by the Sterling Heights Police Department.

Funds also will be used by the Macomb County Sheriff's Office to support civilian reservists and to purchase in-car cameras and radios for squad cars. Macomb County Community Corrections will use its funds to support its "Dual Diagnosis" jail diversion program for offenders with substance abuse issues and mental illness.
